Are you the next \$5,000 winner from the MOW "Pot of Beans?"

Mark your calendar for January 18, 2019, as we celebrate our 20th annual Bubbles, Baubles, and Beans fundraiser at the Industrial Building at the Central Wyoming Fairgrounds. We have 300 beans in the pot to raffle off, with cash prizes for the evening totaling \$10,575. Buy a bean for just \$100 and your bean could be worth up to \$5,000. What a way to start off the new year! For each bean purchased, you will receive 2 admission tickets to the event.

During the event we will have a reverse raffle with the payout schedule shown on the left. The first ticket drawn is worth \$400 and the last ticket remaining is worth \$5,000! There are 29 additional chances to win.

Your \$100 raffle ticket purchase will feed a senior in Natrona County for approximately one month.

Doors for the event open at 4:00, so come and sample up to 27 different soups and chilies from many different local restaurants and refreshing beverages from Budweiser and Pepsi. Also to cool your taste buds, finish up with some delicious ice cream.

You do not need to be present to win. If you purchase a bean but cannot attend, we will gladly mail your admission tickets to your friends or family in the Casper area who would enjoy coming to the event. But if your bean is drawn you still win the cash!

On behalf of the Meals On Wheels Board of Directors and Staff, we thank you for your assistance in fighting senior hunger in our community.

Take Care,

Jamie Loveall
