Liberty Meals on Wheels delivers much more than just a meal to its recipients. At the core of our service is a nutritious meal, friendly visit and safety check for seniors living within the city limits of Liberty. Meals are delivered by our amazing group of permanent and substitute volunteer drivers who donate their lunch break to help recipients in need.

Liberty Meals on Wheels focuses on caring for individuals whose diminished mobility makes it hard to shop for food, prepare meals or socialize with others. People who are mobile enough to join others for meals in a group setting are encouraged to do so. Liberty Silver Center serves a daily lunch and has many activities to keep seniors moving and socially involved. Seniors or disabled persons who are less mobile may qualify for Meals on Wheels home delivery.

ABOUT US

Meals on Wheels Central Texas seeks to nourish and enrich the lives of the homebound and other people in need through programs that promote dignity and independent living. Meals on Wheels Central Texas is one of the largest meal-delivery organizations in the state, distributing 3,000 meals each business day to homebound older adults and people with disabilities. Part of the Austin area community since 1972, MOWCTX believes in holistic case management and also offers the following services to our clients through our many programs: in-home care; minor and major home repairs; grocery shopping assistance; a monthly supply of shelf-stable groceries; extra, daily, shelf-stable meals for the nutritionally at-risk; veteran services; problem-solving therapies; rural meal delivery; Alzheimer's respite care; and pet food and pet health care for our clients' dogs and cats.

Our programs are provided free of charge and are designed to nourish and enrich the lives of the people we serve, allowing them to live at home with dignity and independence.

Meals on Wheels Central Texas is a 501 c 3 organization and is independent and locally-run.

HISTORY

Meals on Wheels Central Texas began in 1972 as an East Austin-based, grassroots organization staffed by only eight volunteers. Together, they cooked and delivered meals to 29 homebound seniors three times a week.

Within five years, the organization, then called United Action for the Elderly, Inc., began receiving grants and expanded to serve an average of 330 people six times a week. Ten years after that, 14 cooking sites had been established, and an average of 175,000 meals was being prepared each year.

In 1994, the organization changed its name to Meals on Wheels and More. By this time, additional programs such as Handy Wheels and Groceries to Go – had been incorporated, and the meal-delivery program was serving over 1,000 people.

Today, Meals on Wheels Central Texas provides service to nearly 5,000 persons in need with the help of more than 7,000 volunteers.
